MICHIGAN APPLE FEST

Agriculture and tourism are Michigan's top two economic drivers, and when combined Agritourism during Michigan Apple Fest celebrates apples in all forms and fashions as Michigan is the nation's third-largest producer of apples. The annual celebration is centered in Sparta, Michigan! It is considered the gateway to The Ridge, an agricultural mecca where 1,000's of orchard acres grow many apple varieties we all love. Whether it's in the form of a pie, a sauce, a crisp, or a fresh from the tree snack, we love celebrating everything about apples. Featuring Market on the Ridge two-day vendor show!
